

Updating Your User Profile

You can update your user profile in a manner similar to the way you created it. Here is how to do it:

1. Click on the User Profile link in the Navigation Menu.

2. The User Profile interview is displayed showing the existing information of the User Profile. Change the information in any fields on this interview.
3. At the bottom of the interview (you may need to scroll down), click on the **Save Data** to update changes and continue editing the profile, or on the **Save Data and Exit** button if you wish to save your data and exit the User Profile.
